Construction is continuing on the roundabout at the intersection of Rio Grande Blvd. NW and Candelaria Road NW. Crews are currently installing new storm drainage pipeline at the intersection, then will backfill and prepare the roadway for construction of center medians.

Regular work hours are **Monday-Friday, 7 a.m.-4 p.m.**, although crews may work longer hours or on weekends as needed. ***NOTE: Crews will not be working on Monday, May 27 in observance of Memorial Day, but barricades will remain in place for safety.***

During **Phase 1** of construction, which is expected to last through **early July 2019**, the following traffic impacts will be in place. Lane closures are indicated in **RED** on the map below.

1) Northbound and southbound traffic on Rio Grande Blvd. will be shifted to the outside, with one lane in each direction from Artesanos Court to north of Candelaria.

Traffic on Rio Grande Blvd. will be able to turn and head east or west on Candelaria Road.

2) Traffic on Candelaria Road will be shifted to the south, with one lane in each direction, from east of Rio Grande to just east of Camino Caballete NW.

Traffic on Candelaria will be able to turn and head north or south on Rio Grande.

Motorists traveling in the area should expect delays, use extra caution, obey speed limits, watch for construction signage and give themselves extra time to reach their destinations.
